Accuracy of Information

The Websites may provide certain summary descriptions or other helpful information regarding Products and Services. While we have attempted to be as accurate as possible at the time information is added to the Websites, some information may contain technical inaccuracies or typographical errors. Moreover, any such materials are intended to generally describe the Products and Services and are subject in all respects to the specific terms and conditions of the actual product/service agreement to which they refer. Content and other information contained on the Websites has been prepared by ASI and OpenWater, respectively, as a convenience to users, and we make no warranty or guarantee about the accuracy, completeness, or adequacy of the information contained in or linked to the Websites. Users relying on this information do so at their own risk. Always contact us to verify information before relying upon it, even for planning purposes. Information on the Websites may be changed or updated without notice. We may also make improvements and/or changes in the products and/or the programs described on the Websites at any time without notice. Information on demonstration and show sites are deliberately inaccurate because they represent mythical organizations.

The Websites may also contain hyperlinks to other sites owned and operated by third parties. Such hyperlinks are provided only for convenience and as a service to you and we are not responsible for these sites and do not make any representations about the content or accuracy of these sites or the material available. To the extent that any of the information included in the Websites is provided by third party content providers or other Website users, ASI and OpenWater have no editorial control or responsibility over such information. Any opinions, statements, products, services or other information expressed or made available by third party suppliers or users on the Websites are those of such third party suppliers or users, respectively.

Areas of the Website and Acceptable Use

The information in the public areas of the Websites is summary information and not technical information and all Products and Services are sold or licensed based only on their technical written specifications as found on docs.imis.com or for OpenWater on <https://help.getopenwater.com>.

All sales or licensing of ASI Products or SaaS solutions are under the terms of our Usage Agreement or License Agreement for ASI Products and all consulting, implementation, and training services are performed under the terms of our Master Services Agreement. All sales or licensing of OpenWater Products and Services are performed under the terms of its Master Subscription Agreement.

The information in our customer areas is provided as a service to assist users of our products and services and to supplement, not supplant, the Solution Provider or our Client Success Department or the OpenWater help center which are your primary sources of information. The information on this site is "associated documentation" as defined in the License Agreement and the disclaimers and limitations of liability in your Usage Agreement or Master Services Agreement, or the OpenWater Master Subscription Agreement, respectively, apply to the information you may obtain from the sites.

The information in our Solution Providers areas is provided as a service to our Solution Providers, including our Authorized Resellers and Authorized Consultants. Technical information is provided with the expectation that the Solution Provider is highly skilled in its tasks and should be used with care since each site is unique. Our liability is limited as detailed in the Solution Provider Agreement, Services Agreement or other agreement with the Solution Provider.

The information in our employee areas is part of our Intranet and it is confidential and proprietary and only authorized employees are permitted to access or download it.

We may host a number of Forums for End-Users (including Solution Providers) to exchange information and help each other. Forums, including blogs, wiki's, books, polls, projects and traditional posting forums, are interactive pages where the reader is able to enter information for others to see. Some are commercial Forums used mainly to advertise products sold by Solution Providers (our Solution Providers independently resell our products or services as well as their own products and services). The views expressed in such posts belong solely to their respective authors and do not necessarily reflect the views of ASI or OpenWater. Goods and services advertised in Forums are not endorsed, reviewed or advocated by us. Investigate them thoroughly and buy and use them at your own risk.

We are not responsible for any messages posted on these Forums or the consequences of following any advice offered with Forum posts. ASI and OpenWater have no obligation to monitor the Forums. ASI and OpenWater cannot verify the accuracy of statements that users make or place on the Forums and we are not responsible for the accuracy, truthfulness, content or use of any message posted on a Forum. If a message is posted by an ASI or OpenWater employee that identifies him/her as being an employee but does not say "on behalf of ASI" or "on behalf of OpenWater", then the message is from the person as an individual and not from ASI or OpenWater, respectively, as a company and the reference to ASI or OpenWater is for identification purposes only.

All messages that you post are assumed to be in the public domain and can be read, copied and republished by anyone without any restrictions. If this is not true for a particular message, you must state so explicitly in the message. All messages that we post, however, are subject to all of the restrictions of the Websites, including copyright and access. If you choose to make any of your personal information or other content publicly available on the Forums or otherwise on or through the Websites, you do so at your own risk.

You agree to use the Forums only to post, send and receive messages and material that are proper and related to the particular Forum. To use the Forums you represent and warrant that you are at least 18 years of age. You also agree to abide by ASI's [Code of Conduct](#) for all ASI Events. You agree to indemnify, release and hold us harmless from all liability, claims, actions, loss, harm, damage, injury, cost or expense arising out of any content you post.

Any information that you post is at your own risk. We do not enforce copyright protection and often posting ideas, program fragments or entire programs may cause you to lose any trade secret protection you had in the ideas, algorithms or coding methods. We can make commercial use of these ideas or code, ourselves, including developing and marketing products or services using such information. If you are selling goods or services, we do not collect for you nor create or enforce any agreements between you and your prospect or customer.

By posting messages, uploading files, inputting data or engaging in any other form of communication through one or more of the Forums, you grant ASI or OpenWater, respectively, its successors and assignees, a royalty-free, perpetual, non-exclusive, unrestricted, worldwide license to continue to display your contributions to the Websites or any successor site. ASI or OpenWater, respectively, reserves the right to delete any contribution and/or restrict posting rights in our Forums for any reason whatsoever and to take any other action, as allowed by law, we deem necessary if a user posts contributions to the Forums that are false, misleading, inaccurate or illegal or reflects behavior that We consider to be abusive, malicious, harassing or threatening or may otherwise violate the Terms of Use.

Any use or attempted use of the Websites for any unlawful, unauthorized, fraudulent or malicious purpose, including any attempt to access systems, data or information not intended by ASI or OpenWater to be made accessible to a user, is prohibited. You may not use the Websites in any manner that could damage, disable, overburden, or impair the Websites or interfere with any other party's access or use of the Websites. You agree not to transmit or introduce any virus, worm, spyware, or other harmful computer code, file or program.

Password Accounts, Passwords, and Security

If you have been given the option to open an account on the Website that provides you with access to password-protected areas of the Website and you elect to do so, you must complete the registration process by providing us with current, complete and accurate information as prompted by the applicable registration form, and choose a password and user name. You are entirely responsible for maintaining the confidentiality of your password and account and for any and all activities that occur under your account. You agree to notify ASI or OpenWater, respectively, immediately of any unauthorized use of your account or any other breach of security of which you become aware. ASI and OpenWater are not liable for any loss that you may incur as a result of someone else using your password or account, either with or without your knowledge.

Reporting Content to ASI or OpenWater

If you believe any content on the Forums violates these Terms of Use or any content on the Forums or the Websites is otherwise illegal or harmful, you may report it by contacting ASI or OpenWater at privacy@advsol.com.

Termination/Access Restriction

ASI and/or OpenWater, respectively, reserve the right, in their sole discretion, to edit, refuse to post, or remove any information or materials, in whole or in part, or to terminate your access to the Websites and the related services or any portion thereof at any time, without notice.

Disclaimers and Limitation of Liability

YOUR USE OF THE WEBSITES ARE AT YOUR SOLE RISK. ALL CONTENT, PRODUCTS AND SERVICES ARE PROVIDED ON AN "AS IS" OR "AS AVAILABLE" BASIS, AND ASI AND OPENWATER EXPRESSLY DISCLAIM TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL WARRANTIES AND CONDITIONS OF ANY KIND WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND SATISFACTORY QUALITY. ASI AND OPENWATER MAKE NO WARRANTY THAT THE CONTENT IS ACCURATE, TIMELY, UNINTERRUPTED, VIRUS-FREE OR ERROR-FREE, OR THAT ANY SUCH PROBLEMS WILL BE CORRECTED.

YOU UNDERSTAND AND AGREE THAT TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ASI AND/OR OPEN WATER WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PRODUCTS, USE, DATA, PROFITS OR OTHER INTANGIBLE LOSSES, WHETHER BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, EVEN IF ASI OR OPENWATER HAS BEEN ADVISED OF THE POSSIBILITIES OF THOSE DAMAGES, RELATING TO OR RESULTING FROM YOUR USE OR INABILITY TO USE THE WEBSITES, PRODUCTS AND SERVICES OR CONTENT. IF YOU ARE DISSATISFIED WITH ANY PORTION OF THE WEBSITES, OR WITH ANY OF THESE TERMS OF USE, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING THE WEBSITES.

CERTAIN STATE AND PROVINCIAL LAWS DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES. IF THESE LAWS APPLY TO YOU, SOME OR ALL OF THE ABOVE DISCLAIMERS, EXCLUSIONS, OR LIMITATIONS MAY NOT APPLY TO YOU, AND YOU MIGHT HAVE ADDITIONAL RIGHTS.
